### **Subject: Important Notice Regarding Dealer Closure - Vellara Motors**

Dear Esteemed Customers,

We hope this letter finds you in good health and high spirits. As officials of Benling India Energy and Technology Pvt Ltd, we would like to inform you about a significant change in our dealership network. It is with regret that we announce the closure of our esteemed dealer, Vellara Motors, located at Center Jail Road Podikundu Pallikunnu, opposite Deshabhimani, Kerala 670004. Vellara Motors had provided us with their leaving notice on May 5th, 2023. According to our company policy, a three-month notice period is deemed sufficient for the complete termination of the dealership. Unfortunately, Vellara Motors ceased its sales and service operations by September, severing all ties with Benling.

**As of now, Vellara Motors no longer has any connection or liability to Benling and customers. In the event that someone approaches you in the name of Vellara Motors, we urge you to exercise caution, as they are no longer affiliated with our company. We want to assure you that we will continue to support our customers directly.**

For all your sales and service needs, **we recommend contacting M/S. A A Motor's at Ground Floor, No. 778/44, Shop No: 28th Cross, Triveni Road Yeshwanthpur, Bangalore, Karnataka, 560054, reachable at Ph: 086184 73871** Starting from October 2023, M/S. A A Motor's will be responsible for catering to customers in Kannur and Kasargod, providing support for warranties, spare parts, and any other assistance required.

Meanwhile, we are actively working to appoint a new dealer in Kannur, Kerala. If you are interested in this opportunity, kindly email your expression of interest to "[sales@benlingindia.com](mailto:sales@benlingindia.com)."

We appreciate your understanding and cooperation during this transition. Our commitment to providing you with exceptional service and support remains unwavering. If you have any concerns or queries, please feel free to reach out to our customer service team.

Thank you for your continued trust in Benling India.

Thanking you

For **BENLING INDIA ENERGY AND TECHNOLOGY PVT. LTD.**

**Amit Kumar**  
Director
